

Portraits of American Life Study (PALS) – Spouse or Partner Questionnaire

Your spouse/partner has been randomly selected to participate in an important research study called the Portraits of American Life Study. This study is being conducted by RTI International for the University of Notre Dame. The study is funded by the Lilly Endowment, Inc. In addition to your spouse/partner's participation in the personal interview portion of the survey, we would also like to have you answer questions about your social and family activities, and your views on religion. As a token of appreciation after returning this completed questionnaire, you will receive \$15. It should take you about 20 minutes to complete.

The PALS questionnaire will help us to better understand everyday life for people in the United States. Your participation is completely voluntary. You have the right to refuse to answer any questions or to stop at any time. Feel free to skip any question you do not want to answer. All information collected will be kept strictly confidential. The confidentiality of your study information will be protected to the fullest extent of the law. The information collected will only be used for research and analysis and will not be used of any other purpose.

Please return completed questionnaire in the self-addressed envelope to:
